Toth Team Worldwide Network of REALTORS® announced the addition of a new member, Phil Blair, to the Ann Arbor Area Real Estate Experts team. "Phil is an enthusiastic REALTOR who really knows Washtenaw and Wayne Counties," said CEO Kathy Toth. "His knowledge and client centric attitude will serve our clients well and make his a great fit for our organization at Keller Williams."

As a Michigan native, having grown up in the Detroit area I have always enjoyed working in sales. Helping my clients throughout the home buying process is something I take great pride in and look forward to creating long lasting relationships.
