**Toth Team Worldwide Network Welcomes Ann Arbor Area
Real Estate Expert Buyers' Agent Lauren Kartje**

Toth Team Worldwide Network of REALTORS® announced the addition of a new member, Lauren Kartje, to the Ann Arbor Area Real Estate Experts team.

Lauren Kartje is a University of Michigan alum that has lived in the Ann Arbor area for over 25 years. Her previous experience gives her a great advantage to think creatively and approach situations from multiple perspectives. Her number one goal is to take the time to learn about her clients and then expertly guide them through the home buying process—she doesn't settle for giving anything less than an A+ experience. Outside of work, you will find Lauren kayaking, completing a new DIY project, or on long walks with her golden retriever. Lauren has always called the greater Ann Arbor area home and is excited to help you do the same.

For over 30 years, Toth Team Worldwide Network has served South Eastern Michigan including Washtenaw, Livingston, Oakland, Lenawee, Jackson and Wayne Counties, including clients in Dexter, Ann Arbor, Chelsea and Saline.

Today, Toth Team Worldwide Network has global aspirations and a growth strategy to meet the modern needs of clients around the world.

Toth Team Worldwide Network is among the top one percent of REALTORS® nationally. They have been featured on House Hunters HGTV, and are proud to be endorsed by country sensation Gary LeVox of Rascal Flats as well as the only trusted agent endorsed by local celebrity Martin Bandyke on radio 107.

Toth Team Worldwide Network exceeds client expectations while delivering top performance in the purchase or sale of residential real estate worldwide. To learn more, please visit www.KathyToth.com, email info@kathytoth.com.
