NOTICE FROM COMPANY

Buyer is advised that the Company and its agents are trained in the marketing of real estate. Neither the Company nor its agents are trained or licensed to provide Buyer with professional advice regarding the physical condition of any property or regarding legal ~~or~~ tax matters. The Company and its agents strongly recommend that in connection with any offer to acquire any property, Buyer retain the professional services of legal and/or tax advisors, property inspectors, surveyors, and other professionals to satisfy Buyer as to any and all aspects of the physical and legal condition of a property. BUYER IS ADVISED NOT TO RELY ON THE COMPANY, OR ON ANY AGENTS OF THE COMPANY, FOR A DETERMINATION REGARDING THE PHYSICAL OR LEGAL CONDITION OF A PROPERTY. The following is a general listing of issues that Buyer should consider in evaluating any property. This is not intended to be a comprehensive list of all issues that may be relevant in Buyer's evaluation of a specific property. This document is, however, intended to direct Buyer's attention to a number of issues that are commonly considered important in the evaluation of any property.

1. BUILDING CODE/ZONING COMPLIANCE: Buyer is advised to consult with local zoning officials to assure that Buyer's intended use of a property (including, but not limited to, rental and business uses, construction of new improvements and/or the remodel of existing improvements) will comply with local zoning requirements and with any recorded restrictive covenants and conditions. Buyer should determine whether a certificate of occupancy has been issued for a property and if such certificate is available for inspection. Buyer is also advised to make inquiry at the local building department to determine if building permits and final inspections were obtained for any remodel work at a property, if applicable. Buyer acknowledges that the Company should not be relied upon for any determination as to any past, present or future building code or zoning restrictions or violations, or as to the suitability of a property for Buyer's intended use.

2. RENTAL OF PROPERTY: If Buyer intends to use a property as a rental, Buyer is advised to consult with local zoning officials and to review any applicable restrictive covenants to determine that rental of a property is a legal use, and does not violate any restrictive covenants. Buyer is also advised to consult with local governmental authorities to determine whether a business or other license is required in order to use a property as a rental. Buyer acknowledges that the Company should not be relied upon for any determination as to whether rental of a property is a legal or permitted use.

3. HAZARDOUS WASTE AND TOXIC SUBSTANCES: Buyer is advised to consult with appropriate professionals regarding the possible existence of hazardous wastes and toxic substances on a property, including, but not limited to, asbestos, radon gas, lead and lead-based paint, and contamination of a property from the use, storing or manufacturing of any illegal substances including, methamphetamines. Buyer is advised that a variety of federal laws can place strict liability on property owners for hazardous waste management and cleanup of hazardous substances. Buyer is advised of Buyer's obligation to make appropriate inquiries ("due diligence") into past uses of a property to ascertain the possible existence of hazardous wastes or toxic substances. Buyer acknowledges that the Company should not be relied upon for any determination as to the existence of any hazardous wastes or toxic substances.

4. RADON GAS: The EPA and the Surgeon General have linked exposure to elevated radon levels to an increased risk of developing lung cancer. The Buyer is advised to consult with appropriate professionals to determine if elevated levels of radon gas exist in a property. Additional information regarding radon is available from the state of Utah at radon.utah.gov and the EPA at epa.gov/radon/.

5. SURVEYING AND STAKING: Buyer is advised that without an accurate survey of a property, Buyer cannot be certain as to the boundaries of a property, or that any improvements on a property are not encroaching upon adjoining parcels of property, or that improvements located on adjoining parcels of property do not encroach onto a property. Walls and fences may not correspond with legal boundary lines for a property. Buyer acknowledges that the

16. HOUSING COMPLIANCE: Buyer is advised to consult with appropriate professionals regarding neighborhood or property conditions including, but not limited to: schools; proximity and adequacy of law enforcement; proximity to commercial, industrial, or agricultural activities; crime statistics; fire protection; other governmental services; existing and proposed transportation; construction and development; noise or odor from any source; and other nuisances, hazards, or circumstances. All properties will be shown without regard to race, color, religion, sex, national origin, handicap or familial status and any other requirements of federal and state fair housing laws.

17. PROPERTY TAXES: Buyer is also advised that, depending upon present use, a property may be taxed as "Greenbelt". A purchase of a property may change the Greenbelt status and the amount of property taxes assessed by the County. Such change in Greenbelt status may also result in liability for roll-back taxes. If Buyer has any questions regarding County property tax requirements, Buyer is advised to consult directly with the County Assessor's Office.

18. INCOME TAX/LEGAL CONSEQUENCES: Buyer is advised that this transaction has tax and legal consequences. Buyer is advised to consult with appropriate legal and tax advisors regarding this transaction.

19. FOREIGN INVESTMENT IN REAL PROPERTY TAX ACT (FIRPTA): In general, the sale or other disposition of a U.S. real property interest by a foreign person as defined in the Internal Revenue Code is subject to income tax withholding under FIRPTA. If FIRPTA applies to the SELLER, the buyer or other qualified substitute may be legally required to withhold and remit to the IRS 10% of the total purchase price for a property at closing. FIRPTA may require Buyer's signature on applicable IRS withholding forms. Failure to comply with FIRPTA may create liability for Buyer and Seller. If FIRPTA applies to this transaction, Buyer and Seller are advised to consult with appropriate legal and tax advisors regarding their rights and obligations under FIRPTA.

20. ENERGY EFFICIENCY: According to the national ENERGY STAR, and other similar energy efficiency programs, utility bills in a typical existing home can be reduced by 20% or more through energy efficiency improvements. A home energy analysis can be provided by certified home energy efficiency professionals to document the energy efficiency levels of an existing home, and also provide recommendations for energy improvements that will reduce utility costs, improve comfort, and improve indoor air quality and safety of a property. Buyer is advised to consult with appropriate energy efficiency professionals regarding any property of interest to the Buyer. Additional information is available at www.energystar.gov.
