

You belong at Bonita Bay Club, the private club leader in Southwest Florida. Our renowned member-owned club in Bonita Springs offers unrivalled sports, social and leisure amenities in a natural preserve setting in Bonita Springs – the ideal location between Fort Myers and Naples – just minutes from the Gulf of Mexico.

The West Club's 55,000-square-foot classic clubhouse is headquarters for our social activities and fine and casual dining in the Fireside Room, Club Room and the 55th Hole bar and grill. Here, you'll also discover our three Arthur Hills-designed Audubon Cooperative Sanctuary courses, each with its own distinct personality: Marsh features a natural wetland terrain among oaks and palmettos, while Creekside is known for its broad fairways and subtle rolling hills. Along Estero Bay, our Bay Island course challenges players with water hazards, sand traps and thick oak and cypress strands.

Pure golf awaits at the Tom Fazio-designed Cypress and Sabal courses of our Naples Club. Nestled among cypress strands, Florida slash pines and sabal palms, our Audubon Sanctuary courses are complemented with an 8,200-square-foot clubhouse featuring a dining room, bar and golf shop.

We also offer three practice facilities and a short game practice area, where our staff of PGA Professionals oversee clinics, short game schools, full- and half-day lessons and video teaching to help you perfect your game or spark a newfound love of the sport.

The new Sports Center serves up our best-in-class sports programming, including one of the region's most robust tennis calendars – with more than 25 league teams, events and weekly play on our 18 Har-Tru courts. Our USPTA Master Professional can help develop new strategies with PlaySight video analysis. The Sports Center also offers five new pickleball courts that are gaining popularity and a growing player ship. Nearby, our new geo-thermal, zero-entry saltwater pool offers four 75-foot lap lanes, a wave less gutter design, and ample space for both aqua aerobics and lounging in the sun. With a full bar, the Breezeway Café offers a casual array of fresh options for lunch and dinner.

The Lifestyle Center features a state-of-the-art fitness center, with nearly 20,000 square feet dedicated to strength and cardio training with Technogym equipment, including the Kinesis Station and the Kinesis One. Fitness classes are offered for all levels, with specialized instruction for spin, Pilates and Gyrotonics. An on-site café offers healthy, made-to-order fare for members on the go. Downstairs, the Spa and Salon presents 9,000 square feet of pampering possibilities with seven treatment rooms, sauna and steam rooms, a whirlpool and a relaxation lounge, and an array of spa services. There is also a fully dedicated men's barber shop and a women's hair and nail salon.

Bonita Bay Club's excellence has been recognized with exclusive designations, including the Distinguished Club and Platinum Club, and we have been named among America's Healthiest Clubs for our commitment to our members' well-being.
