### Inlet Beach

Inlet Beach is just about as authentic 'Old Florida' as you'll find in South Walton, and perhaps anywhere. Quite quiet and bordered by 13 acres of protected dunes, this pristine beach neighborhood feels as if time somehow forgot it.

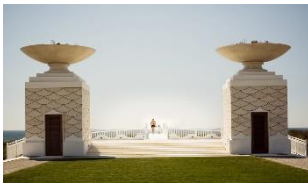

### Rosemary Beach®

Rosemary Beach® is the premier Traditional Neighborhood Development, located on the synergistic, east end of Scenic Hwy. 30-A. Easily accessible by air or by car, the community is a 30-minute drive from the Northwest Florida Beaches International Airport

### Seacrest

Seacrest begins after the big bend in the road on Scenic Highway 30A, just east of WaterSound Beach and just west of Alys Beach.

### Alys Beach

You'll know exactly where you are when you enter Alys Beach – from its signature palm trees to its iconic butteries to its stunning white stucco architecture, Alys Beach makes a strong, stylish statement.

### Watersound Beach

This intimate beach neighborhood has everything you need for a perfect vacation — all located within walking distance. WaterSound is an enclosed, private paradise designed to help you escape, relax, and enjoy the natural beauty of South Walton.

### Seaside

In the colorful neighborhood of Seaside, you'll feel immediately at ease — here, most people get around by bike or by foot. Funky airstream trailers serve hot dogs, fresh juice, shaved ice and more: just down the road you'll find cozy cafés and a specialty market.

### Watercolor

Watercolor is nestled between Grayton Beach State Park, Western Lake and Seagrove Beach, and wraps around the neighboring town of Seaside. Watercolor is one of a handful of planned "New Urban" communities that define Scenic 30A.
