

30A Supply and Demand for 2020

What Is the Law of Supply and Demand?

The law of supply and demand is a theory that explains the interaction between the sellers of a resource and the buyers for that resource. The theory defines what effect the relationship between the availability of a particular product and the desire (or demand) for that product has on its price. Generally, low supply and high demand increases price.

Bottom Line Prices could easily see a 10% increase by October 2020
